

# The Forestry Citrus Orchard

100% Naturally  
Grown

High Quality  
Produce

Nutrient  
Rich

Our produce is grown using **regenerative agricultural** methods. Our cultivation practices draw from over a decade of experience in **sustainable agriculture** and our training as certified **permaculture** designers. These methods include using biochar, vermicompost, and our own microbial and botanical agri-input formulations for **holistic nutrition and pest management**. We welcome you to visit our farm in Hunsur, Karnataka to see these practices in action!

## Our Produce

*Ruby Red & Red  
Flame Grapefruit*

*Oro Blanco  
Grapefruit*

*Berris & Persian  
Seedless Lime*

## Partner With Us

---

We look forward to partnering and collaborating with individuals, stores, restaurants and businesses who share our vision for eco-conscious and naturally grown produce!
